GIK INSTITUTE OF ENGINEERING SCIENCES **& TECHNOLOGY**

Instructions to Bidders:

1. Scope of Application:

In connection with the “Invitation for Prequalification”, the GIK Institute, as defined in issues this set of Documents (PD) to qualified applicants (also hereinafter referred as Applicants) to submit financial proposals (also hereinafter referred as Applications) for supply of ration to the Institute.

2. Eligible Applicants:

Only pre-qualified bidders are eligible to submit financial proposals.

3. Signing of the Application and Number of Copies:

Application shall be signed by the person duly authorized by the bidder on original proposals.

6. Sealing and marking applications.

Bidder shall enclose original documents in sealed envelope which shall,

- a. bear name and address of the bidder and write “Call for Financial Proposal for Supply of Ration”.
- b. If the envelope is not sealed and marked as required, the GIK Institute will assume no responsibility for misplacement of application.

7. Deadline for submission of application:

Applicants may either submit their applications, by courier or by hand. Applications shall be received by the Institute at the address above and no later than **August 30, 2025, 1500 Hours. The proposals will be opened on the same day at 1530 hours.**

8. Late Application:

The Institute reserves the right to accept Applications received after the time for submission of Applications, however subject to the condition that the same is received within the date specified as last date for submission of applications but before the time for opening of the Applications.

GIK INSTITUTE OF ENGINEERING SCIENCES **& TECHNOLOGY**

9. Opening of application:

The Institute shall open all Applications at the date, time and place specified above. The Institute shall prepare a record of the opening of Applications to include, as a minimum, the name of the Applicants.

10. Confidentiality:

Information relating to the Applications, their evaluation and results of the opening shall not be disclosed to Applicants, or any other person not officially concerned with the process until the notification of the results is made to all Applicants.

11. Evaluation of Applications:

The institute will evaluate applications based on the financials and contract will be awarded to lowest evaluated proposals keeping in mind the quality and specs of the items. The unit prices will be quoted by all suppliers including taxes and transportation charges. The details are mentioned in attached **Annexure – A**. **The prices will be quoted for a period of one year and a framework agreement will be signed between the Institute and the suppliers.**

12. Institute's Right to Accept or Reject Applications:

The Institute reserves the right to accept or reject all the Applications, and to annul the process at any time, without thereby incurring any liability to the Applicants.
