Non-interactive Screen

To be connected via HDMI or any other interface with the lecture recording system and main courseware displayer.

Extended classroom must display the hybrid mode ZOOM/Teams online students or the presentation slides to assist teacher or any other view as required.

9. 3kVA or above Rackmount Online-UPS (Emerson, APC, Liebert or equivalent)

3kVA or above Single-Phase Online UPS for power backup

With Bult-In or external battery for power backup of all above equipment

Rack and all other cabling and accessories included

Automatic Switchover to batteries in case of Under/Over voltage

Power Factor ~1

Battery Bank for backup of 20 Minutes at Full Load of above Smart Classroom equipment

10. Metal Rack/Cabinet with Digital Keypad / NFC lock for placing accessories

Should be separate rack/cabinet from other equipment rack

Should be installed within the classroom for storing the accessories

Digital Keypad based lock system lock password can be configurable

Size of the cabinet should be sufficient to store all accessories

General Conditions for successful bidder:

- GIK Intends to upgrade its conventional classrooms to Smart Classrooms for which initially **8 classrooms need to be upgraded** and the rest of the classrooms will be upgraded in the future as and when required.
- The quoted items must be complete in all aspects (hardware, software, license or any accessories) and the prices must be quoted item wise separately.
- The prices of the Item # 1 Courseware Displayer must be quoted separately for 86 Inch and 98 Inch models, and GIK will choose which screen size to opt for at the time of order and quantity of both sizes may vary.
- A detailed Compliance Sheet must be attached by the bidder in the Technical Proposal mentioning all the above 10 Items and their mentioned details, the compliance or deviation (if any) must be mentioned against each line item of all the items 1 to 10.
- GIK can opt-out any items from Item # 7 to 10 before placing the order to successful bidder depending on the actual requirement at that time.
- Bidder should be certified partner of offered solution of hardware and software having certified technical resources from proposed brand.
- Bidder must have certified resources of proposed brand and provision of certificates is mandatory.
- The entire project will be on turnkey basis. The bidder will be responsible for setting up the equipment in such a way that the whole recording (Main Screen, Rear Screen, both cameras, sound, etc.) should be recorded and saved on the lecture recording device and then transferred automatically to the external storage server in GIK datacenter.
- The entire system must have the ability to be used in hybrid mode using the extended classroom feature, and must have the ability to dial ZOOM, MS Teams or any other software and the remote students must be displayed on the extended screen and can interact with the teacher using this system.
- Bidder must offer any item (hardware, software, license, racks, cables or any accessories) other than requirement for 100% successful deployment of solution. All the equipment (UPS, recorder, controller, amplifier, etc.) should be installed in a rack and should be placed inside the classroom.
- Warranty and Support services for all the items quoted should be at least 3 years for all Core products and at least 1 year for passive accessories like mounts, stands.
- A detailed presentation will be required by the bidder in front of the technical committee in GIK premises after the submission of bids to explain the whole system, visit of the previous similar installation and live physical demo of the products quoted (if possible). Physical previous installations and live physical demo will be given preference.
- Installation, commissioning, configuration, and testing of 8 interactive smart classroom solution. A survey of the lecture halls, if required by a bidder, can be arranged.
- At least 4 days onsite operational training of IT team (for administration and operational purposes) and separate 2 days trainings in multiple sessions for faculty (efficient use of the system) by the bidder. Date and time will be decided by GIK.

Note: All the above points should also be included in a separate compliance sheet and should be submitted in the technical proposal

6.1. Any bid received by the Purchaser after the prescribed deadline for submission of bids mentioned in Press Tender Notice will not be accepted and returned unopened to the bidder(s).

7. BID OPENING:

7.1. The purchaser will open the Technical Bid, in the presence of bidder's representative(s) who may choose to attend on date, time and location mentioned above.

7.2. The bidder(s) names, bid prices including bid price modification and bid withdrawals, if any, will be announced at the time of financial bid opening.

7.3. The Purchaser will examine the bids to determine whether they are complete, no computational errors have been made, the required sureties have been furnished, documents have been properly signed, and the bids are generally in order.

7.4. Arithmetical errors found will be corrected as follows:

7.4.1. Where there is a discrepancy between amount in figures and word, the amount in word will prevail.

7.4.2. Where there is a discrepancy between the unit price and the total amount derive from the multiplication of the unit price and the quantity, the unit price as quoted will govern, unless there is an obvious gross arithmetical error in unit price, in which event, the extended amount quoted would prevail.

7.4.3. In case the due date of bids opening falls on a holiday, the bids shall be opened on the next working day.

8. DETERMINATION OF RESPONSIVENESS:

8.1. After opening of the bids, the purchaser will determine whether each bid is substantially responsive to the requirements of the bidding documents.

- 8.2. For the purpose of this clause, a substantially responsive bid is one, which conforms to all the terms and conditions of the bidding documents without material deviation. A material deviation is one which means inconsistent with the bidding document, affects in any substantial way the scope, quality or prescribed delivery schedule or which limits in any substantial way, the Purchaser's right or the bidder's obligation under the contract.
- 8.3. A bid determined to be a non-responsive will be rejected by the purchaser and shall not subsequently be made responsive by the bidder(s) by correction of the non-conformity.
- 8.4. The purchaser may waive any minor deviation non-conformity or irregularity in a bid, which does not constitute a material deviation, provided that the waiver does not prejudice or affect the relative standing order of other bidder(s).
- 8.5. To assist in determining a bid's responsiveness the bidder(s) may be asked for a clarification of his bid. The bidder(s) is not permitted, however, to change bid price or substance of his bid.
- 8.6. The bidder(s) may lodge a written complaint for redress of their grievances and disputes to Dispute Resolution Committee within fifteen days of the placement of the Technical Evaluation report on the web.

9. ISSUANCE OF PURCHASE ORDER (PO):

- 9.1. The Purchaser will issue Purchase Order to the successful bidder(s) whose bid is determined to be the best evaluated bid.

10. PAYMENT:

- 10.1 Payment will be made as follows after installation, commissioning, testing, training & inspection of interactive Smart Classroom Solution.
 - 10.1.1 Payment after delivery
 - 10.1.2 100% advance payment against Bank Guarantee

11. DELIVERY SCHEDULE:

- 11.1 Delivery of required material against this tender is to be completed as soon as possible from the date of receipt of confirm Purchase Order and will provide surety bond/guarantee for provision of delivery within specified period.

12. EXTENSION IN THE DELIVERY PERIOD:

- 12.1 Delivery of the goods shall be made by the supplier in accordance with the delivery schedule given in Purchase Order.
- 12.2 The supplier may claim extension of the time limits as set forth in the Purchase Order in case of:-
- 12.3 Changes in the specifications of goods, material & equipment by the Purchaser.
- 12.4 Delay in provision of clarifications regarding material, drawings and services by the Purchaser.
- 12.5 Force Majeure pursuant to Clause # 14.
- 12.6 Justified reasons subject to a written request highlighting the same within a period of seven working days prior to expiry of delivery period mentioned in Purchase Order.
- 12.7 It should be noted that a request for extension in delivery period shall be

considered only if the supplier agrees in writing to pay any increase in taxes or any other charges levied by the Government during the extended delivery period. Purchaser shall not bear any additional price increase during the extended period.

12.8 In case of extension in delivery period, the supplier will extend validity of Performance Bond accordingly at his cost.

12.9 If the supplier fails to supply the ordered material for any reason, within stipulated time, the Performance Bond shall be forfeited and material shall be purchased from elsewhere at his risk and cost.

13. LIQUIDATED DAMAGES:

13.1 If you fail to supply the material in the above specified period, GIK Institute reserves the right to blacklist you for future business or forfeit the security money or impose penalty @ 0.25% per day of the contract value or may impose any other financial penalty as deemed fit.

13.2 Even after imposition of LDs, if the supplier fails to materialize the delivery (material and or services); the Purchaser reserves the right to cancel Purchase order/contract and to forfeit the earnest money (if applicable) after intimating the supplier for such cancellation / forfeiture.

14. FORCE MAJEURE:

14.1 The supplier shall not be liable for penalty for delay in delivery of ordered goods, if, and to the extent delay in delivery or other failure to perform his obligation under the Purchase Order, of being the result of occurrence of Force Majeure i.e. causes such as natural calamities, war, civil disturbance, military action, fire as well as other circumstance proved to the satisfaction of the Purchaser to be beyond the reasonable control of the supplier, which may impede the fulfillment of the obligations under the Purchase Order.

14.2 The supplier shall notify the Purchaser promptly of the occurrence of Force Majeure and submit his case in writing within 07 days of such occurrence.

14.3 If any of the party is prevented to fulfill its assumed obligations by Force Majeure of constant duration of at least one month, the party shall meet for negotiation. If no satisfactory agreement is reached within a period of two months from the Commencement of the Force Majeure conditions, either party shall have the right to cancel the Purchase Order with immediate effect.

15. INSPECTION AND TEST:

15.1 The Purchaser's representative(s) shall have the right to inspect and/or test the goods to confirm their conformity with respect to specifications mentioned in the Purchase Order. The representative of Procurement Cell will witness the inspection (where so required).

15.2 Should any inspected or tested goods fail to conform to the specifications the purchaser shall reject them and supplier shall replace the rejected goods. All costs incurred on such replacement shall be entirely born by the supplier.

15.3 Rejected material shall be moved / replaced by the supplier within 07 days from the receipt of letter/fax issued by the Procurement Department. The supplier shall be liable for the **storage** charges @ 0.2% (half percent) of the cost of rejected material on every day basis, if the same is not removed within

seven days.

- 15.4 Acceptance/rejection of the material by 3rd party (where required) will be final and binding on both the parties.

16. WARRANTY:

- 16.1 The supplier shall warrant that all goods supplied under Purchase Order shall be according to specifications given in Purchase Order and approved drawings/design etc. Any deviation in material, drawing/design (where applicable) will be replaced by the supplier at his own cost within warranty period.
- 16.2 The Purchaser shall promptly notify the supplier in writing, of any claims arising under this warranty.
- 16.3 The supplier will invariably provide warranty/guarantee of spare and consumables.

17. QUALIFICATION OF SELECTED BIDDER(S):

- 17.1 The Purchaser will determine to its satisfaction whether the bidder(s) selected as having submitted the lowest evaluated, technically responsive bid qualifies to satisfactorily perform the order.
- 17.2 The determination will take into account the bidder(s) financial, technical & production capabilities, availability of items ordered for. The bidder(s) shall provide necessary documents as proof along with the bid.
- 17.3 Any affirmative determination will be a pre-requisite for award of the Purchase Order to the bidder(s). A negative determination will result in rejection of the bid.
- 17.4 The Purchaser reserves the right at the time of award of order to increase or decrease to a reasonable extent in the quantity of goods specified in the Tender Document without any change in price or other terms and conditions.
